System Requirements:

Viewing from a Browser

When you click the recording link there is an option to open the recording in the browser using the HTML view. Most of the functionality is the same as using the Adobe Connect app, however attending in the app is generally preferred as PowerPoints will look better in the app.

Viewing from a Computer

Click the following link link to view the full system requirements. <http://www.adobe.com/products/adobeconnect/tech-specs.html>
You will need to download the Adobe Connect application. <https://helpx.adobe.com/adobe-connect/connect-downloads-updates.html>
